Product Change Notice

Type of Change:	□ End of Life□ Facility Change or Addition□ Design Change	☐ Material Change☐ Process Change☑ Other- Specification Change
Part Series Affected: MCS Series		
Effective Date: Immediately		
Date Last Time Buy: N/A		
Date of Last Time Shipment: N/A		
Recommended Replacement: N/A		
Reason for Change: Product consistency and simplified specifications for customers		
Effective immediately the Ohmite MCS Series TCR specifications will change to an easier to understand specification. TCR values will now be listed in two resistance ranges rather than singula values. This also promotes product consistency across the entire part series. All part 10m ohms and above will be 50ppm and values under 10m ohms will be 100ppm.		
List of affected parts is listed on the following page.		
Best Regards,		
Brandon Metzger Marketing Manager
