

Adjustable Storage Case

PRT-15698

DESCRIPTION

This sturdy carrying case is great for carrying anything from tiny components to medium-sized tools. With its adjustable dividers, it could be used to organize the parts on your workbench or you can take it on the road with you for portable assembly and repair. Slaps plastic lid--this bad boy can fit so many portable soldering irons!

The case is about 320mm x 270mm x 80mm overall and double-sided with two locking lids.

Note: This case is not ESD safe so make sure care is taken if storing sensitive electronic components.

FEATURES

- Compartment sizes (with all dividers inserted):
 - 60x65x35mm (18 compartments)
 - 65x65x35mm (12 compartments)
 - 90x45x35mm (4 compartments)
