

PRODUCT ADVISORY NOTICE

KEEPING YOU INFORMED OF PRODUCT CHANGES

To: All Customers, Sales Representatives and Distributors

Date: March 15, 2022

Subject: Additional Production Location for 3K and 3J Series Products

This Product Advisory Notice is to alert you that Grayhill is adding production capabilities 3K and 3J Series Products. **Please forward this notification to the appropriate person(s) in your organization.**

Description of Change

The products covered in this PAN are currently built at Grayhill's McCook, IL production facility. After the effective date, Grayhill will implement additional production capacity for these products at Grayhill's Shenzhen, China production facility. Products shipping after the effective date may be built in either facility.

Reason for Change

This change is being implemented to increase production capacity due to increased sales on these products.

Effective Date

April 15, 2022
