PROPERTIES SPECIFICATIONS

Material: Molded or Metal

None Resistors: Ring Terminal: #10

Cord: 10' black 7 strand tinsel wire PVC

2 Standard banana jacks Jacks:

2 Parking jacks (4mm)

Black or Green Colors:

APPLICATIONS

A reliable and durable work station grounding unit that allows two workers to be grounded at the same time. Non-slip banana jacks maintain an excellent connection to various wrist strap sets. The parking jacks help keep workstations clutter free. Molded construction resists bending and helps protect resistors.
