

Mini Thermal Receipt Printer Starter Pack

Product ID: 600

Description

Hit the ground running (and printing!) with this starter pack that includes a thermal printer and all the extras and save a few dollars while you're at it.

Includes:

- A mini thermal receipt printer – with cables and plastic mounting shims
- A roll of 50' long thermal receipt paper – the perfect amount for the thermal printer. BPA-free.
- 5V 2A power supply – an ideal supply for powering the thermal printer (and anything else that can use 5V power)
- 2.1mm DC jack adapter – makes it easy to attach the power supply to the printer
