

## End of Life Notification (EOL)

Geneva, 06<sup>th</sup> December 2021

**EOL-009\_2021\_1**

**HMS series – Information update about UKCA marking**

Not for publication unless permission is granted by LEM

To our Valued Customers and Partners,

As part of our continued focus toward providing our customers and partners the highest level of service, quality and security, LEM International announces the End of Life (“EOL”) of the below mentioned current transducers **on 01<sup>st</sup> April 2024**.

This is concerning the following models:

**HMS 05-P; HMS 10-P; HMS 15-P;**

Hereafter the deadlines:

**Last call orders: 01<sup>st</sup> October 2023.** After what any orders will be refused.

**Obsolescence: 01<sup>st</sup> April 2024**

EXCEPTION: HMS 20-P, already OBS since September 2021

**Information update:**

**HMS series will not be marked UKCA due to its obsolescence in 2024.**

**HMS models will remain only CE mark for the latest deliveries until obsolescence in 2024.**

Sincerely yours,

Stéphane ROLLIER

Product Manager
