### Change Notice

Dear Valued Customer,

Thank you very much for your great and continuous support for business with KAVX. We are writing to inform you about an important change regarding the reel size of our products that may affect your future orders.

After careful consideration and feedback from our valued customers like you, we are looking for transition from 5 inches reels to 7 inches reels for all our 600 series.

We understand that this shift may require adjustments in your processes or equipment, and we are committed to making this transition as smooth as possible for you. We genuinely appreciate your time and effort in let us know if this will be acceptable within 3 months from this letter. Your feedback is invaluable to us as we strive to deliver the best products and services to meet your needs.

Thank you for your attention to this matter, and we look forward to serving you with our upgraded products.

Thank you.
