

A-54

About Item

1. **Omni directional:** With an Omnidirectional **pickup pattern**, the microphone captures the **sound from all directions**, whether it be from a **guitarist's amplifier or a vocalist's voice**, while it picks audio signals very efficiently and produces crystal clear audio
2. **Industry standard:** The 5 Core dynamic microphone is the **preferred choice of performers worldwide**, providing an industry standard for bringing any performance to life, **whether in a club or stadium setting**. It has a dedicated On/ Off switch button.
3. **Clarity & care:** Delivering warm and crisp sound with clarity and care, this XLR microphone features an **Omni-directional pickup pattern reproducing every note as intended**, ensuring consistent performance after performance.
4. **Leave background noise behind:** Keep background noise out of the mix with the 5 Core dynamic microphone, equipped with a spherical **mesh grille and built-in pop filter**, ensuring **that only the intended sound is captured**.
5. **Drop the mic:** Built to last, the 5 Core wired microphone **features durable construction and can withstand the rigors of regular use**. Making it the ideal companion for performers on the road, able to withstand the most demanding performance.

Product Description

The 5 Core dynamic microphone is essential for performers of all levels. With its reliable and consistent performance, this **XLR microphone has become an industry standard for capturing clear and accurate sound in live settings**. Featuring an **Omni-directional pickup pattern, the microphone reduces every note as intended, delivering a warm, crisp sound every time.**

The XLR microphone's Omnidirectional pickup pattern ensures that the source signal is captured from all directions. The microphone's durable construction makes it an ideal choice for performers on the road, ensuring that it can withstand even the most demanding performance.

At 5 Core, Customer satisfaction is our priority with a proven track record of delivering the highest quality product since 1984.
