

## MR6.5-4oHMX2Pcs+TW-BULLET180X2Pcs

### About Item

1. **Paired by sound experts:** Professionals from 5 Core have chosen these two speakers to work together and produce the best possible sound. They are a perfect complement to each other.
2. **Midrange that handles it all:** The package includes versatile midrange drivers capable of effortlessly handling the most significant portion of the audio spectrum. These speakers excel when playing instrumentals and truly shine with captivating vocal performance.
3. **The power you can count on:** The MR6.5-4oHM speakers boast an impressive 1000W Max Power at 4 Ohms, delivering a steady 250W RMS. These speakers are more than capable of handling a wide array of audio needs.
4. **Top-of-the-line tweeters:** 5 Core tweeters are designed with the utmost care; these professional-grade super tweeters effortlessly handle high frequencies, ensuring they sound as good as they look.
5. **Tweeters that pack a punch:** The tweeters feature a staggering 200W RMS and an impressive 300W Max at 4 Ohms, complemented by a built-in capacitor filter. These tweeters offer clean and loud sound.

### Product Description

Experience audio like never before with our cutting-edge speakers! These speakers, designed with a mid-range driver that effortlessly handles the entire audible sound spectrum, will elevate your listening experience to new heights. The sound quality is unmatched whether you're enjoying instrumental melodies or captivating vocals.

The package includes two tweeters, and they are a true powerhouse, complemented by a built-in capacitor filter. Upgrade your audio setup today and enjoy a remarkable auditory journey.

At 5 Core, Customer satisfaction is our priority—a proven track record of delivering the highest quality product since 1984.
