About Item

1. **Upgraded Design:** The 5 Core drum stool has a new and **improved design**. It has a **heavy-duty metal hub beneath the seat** and **stronger metal Long legs**; this **sturdy and durable build quality** makes it better than the rest drum stools available in the market. The drum chair can support a maximum weight of 200 lb.
2. **BIGGER/ Widened Seat:** The stool has a **wider seat, measuring 11.78** inches in diameter, which is suitable for people of different weights. The drum throne can be **adjusted to a height of up to 22.5 inches**, making it **suitable for both children and adults**.
3. **High-density Thicker seat:** The 5 Core drum throne uses a **high-density Memory sponge that is 3 inches thick**. This ensures that the **seat will not deform even after long-term use**. The thicker seat provides **maximum comfort**, especially during long playing sessions.
4. **Robust Long Legs for Extra Support:** The 5 Core drum throne features a **robust tripod leg design** with **three large rubber feet for a strong grip**. This provides **extra stability**, preventing the stool from shaking while playing.
5. **Adjustable w/ Extra Height:** The drum throne has a **reliable lock mechanism** that allows for **easy and quick height adjustment**. It also prevents the stool from sliding down during use.

Product Description

The upgraded 5 Core drum stool is the ultimate companion for drummers of all skill levels. With its new and improved design, it boasts enhanced durability and strength to withstand the rigors of regular use. The widened seat, measuring a generous 11.78" in diameter, provides optimal comfort for drummers of varying weights. Its adjustable height feature, reaching up to 22.5 inches, makes it suitable for both children and adults alike.

The high-density sponge, with its 3-inch thickness, ensures long-lasting comfort and prevents deformation over time. With a robust tripod leg design and large rubber feet, this drum throne offers superior stability and support. The thickening lock mechanism allows for effortless height adjustment, ensuring a secure and personalized playing experience.
