

15185 07 AL

About Item

1. **2200 Watt Power:** This 15-inch subwoofer packs a punch with its 2200W peak power and 300W RMS. Equipped with spring-loaded push-down speaker terminals, it ensures maximum sound quality for an immersive audio experience.
2. **Unmatched Performance:** With a big 90 oz magnet, this subwoofer speaker takes your stereo to the next level by delivering powerful and unmatched audio performance.
3. **Voice Coil:** Equipped with an 8 Ohm Voice Coil Configuration, this speaker subwoofer offers excellent resistance to corrosion. The 3" voice coil enhances longevity while keeping the weight low for optimal performance.
4. **Treated foam surround:** Designed for durability, this subwoofer is made entirely of specially treated foam surround. Its non-fatiguing suspension keeps your equipment safe, while the clean-cut design features a non-pressed paper cone and durable basket.
5. **PP Cone:** The 15-inch Subwoofer utilizes a resilient and durable PP cone material, ensuring great sound quality and long-lasting performance.

Product Description

Experience unparalleled power and performance with our 15-inch subwoofer speaker. With an impressive Max power handling capacity of 2200W, it can unleash high sound resonance that will leave you in awe. The built-in 90 oz magnet enhances your stereo, delivering a commanding audio experience like never before.

Equipped with an 8 Ohm voice coil Configuration, this subwoofer resists corrosion and ensures long-lasting playtimes with its lightweight design. With its resilient PP cone material, this subwoofer delivers exceptional sound quality that will impress even the most discerning audiophiles.
