

CAPO PNK 1Pc

About Item

1. **Good function:** The 5 Core capo is a versatile tool that allows for quick and easy changes in interval degrees on various instruments such as acoustic, classic, and electric guitars, bass, violin, ukulele, and more. It is designed for effortless release and repositioning.
2. **Rubber pads:** Rubber pads are integrated into the capo design to provide comfort for your thumb while in use. With the ability to operate with just one hand and fit comfortably in your hand, these capos can clamp on most fretboards. They are small in size, making them portable and rustproof, making them suitable for use on different widths of guitars.
3. **Avoiding scratches:** Using high-quality rubber pads in the capo design ensures that your instruments remain undamaged and free of scratches. The rubber pads are an effective safeguard against any harm to your instrument.
4. **Perfect sound:** The high-performance guitar capo ensures perfect sound by keeping the strings tight and eliminating buzz.~
5. **Practical gift:** These capos are available in various colors. They make for great practical gifts for friends or loved ones who enjoy playing the guitar or other instruments.

Product Description

The 5 Core Capo is the perfect addition to your guitar & wonderful gift for your musician friend.

Whether you are a studio musician, a stage performer, or just jamming with friends, changing keys quickly and easily is a valuable asset. A high-quality capo allows you to do just that with a simple squeeze of a lever, eliminating the need for time-consuming tuning adjustment.

With the 5 Core Capo/ kapo, you can expect a buzz-free and perfectly in-tune performance at any fret. Its spring-loaded design allows for easy application and adjustment with just one hand, and it can be conveniently stored on the peg head when not in use. This cap is perfect for quick changes on stage and is suitable for acoustic and electric guitars.

At 5 Core, Customer satisfaction is our priority with a proven track record of delivering the highest quality product since 1984.

5 CORE

Features

No Scratches	No Buzz	Easy to Use	Versatile
The silicone rubber lining that covers the entire gripper jaw protects your guitar from scratches or damage.	With the built-in spring, our capo clamps the jaw around the guitar neck, applying the perfect pressure for a buzz-free performance. The strings are kept tight, and there's no more fret buzz without a high-performance capo.	Moving and removing the capo is easy. Simply squeeze the trigger with your hand to release the tension, move it to the desired position, and release it.	The 5 Core capo is one of the best guitar accessories you can own. It works with acoustic and electric guitars, banjos, mandolins, and ukuleles, making it a perfect accessory for any musician.

With a commitment to quality, affordability, and customer satisfaction, 5 Core is a brand people can trust for all their needs and wants.

Q&A

Question:Is the Capo support electric guitar?

Answer:Yes, it does.

Question:Do I need to buy a specific Capo for my guitar?

Answer:No, most capos are universal and will fit on most standard-sized guitars.

Question:Can the guitar capo damage my instrument?

Answer:It is very unlikely that Capo will damage your guitar. But to be on the safer side, buy one with rubber padding on it, just like 5 Core Guitar Capos.

Question:?~How does the guitar capo work?

Answer:The guitar capo works by shortening the length of the strings that are being pressed down, which raises the pitch of the strings.

Question:Where should I place the Capo on the guitar neck?

Answer:The placement of the Capo on the guitar neck will depend on the desired key and sound. A good rule of thumb is to place the Capo as close to the fret as possible without touching the fret.
