About Item

1. **A comfortable experience:**The 5 Core drum throne is made of **high-quality material**, such as a **2.5-inch high-density sponge and an 11.5-inch** diameter stool surface. These materials ensure the drum stool remains durable and reliable and does not deform even after long-term use.
2. **Adjustable Height:**The 5 Core adjustable stool can be adjusted from **16.5 inches to 21.3 inches**. The knob of the stool leg can be used to achieve the **desired height, making it suitable for different instruments and various family activities**.
3. **Anti-slip Design:**The 5 Core drum seat has a **non-slip design, which ensures that the legs are sturdy and durable** with 3 large supporting rubber feet for a **strong & stable grip**.
4. **Folding Legs:**The folding leg design of this guitar chair allows for **easy transport, making it ideal for traveling musicians**. The stool is highly **portable, and the anti-slip rubber feet** provide stability during the performance.
5. **Wide application:**The 5 Core drum throne is suitable for a wide range of **musicians, including keyboard players, guitarists, and even brass players**. Having a comfortable stool is essential for **jamming, playing, or studying with your instrument**.

Product Description

The 5 Core drum throne is the perfect addition to any musician's gear collection. The high-quality materials used in its construction, such as the **2.5-inch high-density sponge and the 11.5-inch diameter stool surface, ensure that it is both durable and reliable**, withstanding the test of time and frequent use.

With the drum throne's adjustable height, it can be used for **various instruments, making it suitable for musicians of all levels and ages**. The anti-slip design ensures you remain stable while playing, preventing unwanted movement or accidents.

At 5 Core, Customer satisfaction is our priority with a proven track record of delivering the highest quality product since 1984.

Features

Best in Class Quality	Built for Comfort	Solid Structure	Easy to Assemble
The adjustable drum throne by 5 Core is a renowned & reliable solution for drummers worldwide. We understand that a drummer's focus should be solely on playing, and that's why we've designed a versatile and adjustable drum throne that does the job with ease.	The drum seat is built with comfort in mind. The density of the cushion is the perfect blend between firm and comfortable. Ensuring a pleasant experience for performers.	The triangle design of this drum throne provides the most stable stand; the non-slip material on the foot of the support ensures that you won't have to worry about wobbling or movement during the performance, ensuring a secure and safe experience.	Assembling the drum/ guitar throne is quick and easy. You will receive a package of two parts, a stool, and support. It will only take a few minutes to assemble the throne but remember to open the support legs first for hassle-free assembly.

Q&A

Question:What is a drum throne?

Answer:A drum throne is a stool designed for drummers, guitarists, and other instrument players to sit on while playing drums. It provides support and comfort during long hours of playing.

Question:How important is comfort when it comes to drum thrones?

Answer:Comfort is crucial when it comes to drum stools or drum thrones, as drummers often spend long hours playing. A comfortable throne can help prevent fatigue, improve posture, and reduce the risk of injury.

Question:Can the drum throne be used with other instruments?

Answer:Yes, the drum throne can be used with other instruments, such as guitars, keyboards, and even brass instruments. They provide a comfortable and stable seating option for musicians of all kinds.

Question:How do I clean the drum chair?

Answer:Cleaning and maintenance of the drum throne are relatively simple. You can wipe down the seat with a damp cloth, and the metal parts can be cleaned with mild detergent. Avoid using harsh chemicals or abrasive materials, as this can damage the throne.

Question:Can drum thrones be used by children?

Answer:Yes, drum thrones can be used by children.
