At 5 Core, Customer satisfaction is our priority with a proven track record of delivering the highest quality product since 1984.

## Features

Stable and Durable	Non-skid rubber feet	Soft Padded Stool	Solid Structure
The thick bracket makes the adjustable drum throne stable and durable, ensuring it won't shake during performances or practice sessions.	The drum stools' non-skid rubber feet provide exceptional stability, making it a reliable choice for drummers who need to focus on their performance.	Our guitar stool features a soft padded stool made from high-quality materials that will keep you comfortable throughout your entire drumming session.	The triangle design of our drum chair provides the most stable stand possible. With a floor of support made from a non-slip material, you can rest easy knowing that your drum throne won't wobble or slip.
