

GSS UKU

About Item

1. **A- Frame Ukulele Stand:** The Ukulele stand features a sturdy double A-shaped triangle structure. The stand is carefully designed to match the body and weight of the Ukulele, and it ensures greater stability.
2. **Sturdy and Durable:** Crafted using high-quality materials, the Uke stand boasts thickened stainless steel tube body with a diameter of approximately 0.71 inches. Its metal screw connection enhances durability and prevents cracking. Additionally, the stand is equipped with a sponge pad wrapped around its feet, effectively preventing slippage on various floor surfaces.
3. **Soft Surface in Touch:** With utmost care for your Ukulele's well-being, both arms of the stand are covered with soft and flexible foam padding. This thoughtful design choice not only protects your instrument from accidental damage and scratches but also ensures safety during display on storage.
4. **Easy to Use:** No need for complex installations or assembly procedures. This ukelele stand is conveniently ready to use as soon as you unfold it. When not in use, it can be easily folded down to a compact size of 10.2*9.4*1.6 inches, allowing for efficient space-saving and convenient portability.
5. **Versatile Stand:** The stand is not limited to ukuleles alone; this stand offers versatility for a range of instruments. The stand's width can be adjusted slightly to accommodate various instruments such as Soprano, Concert, Tenor, and Baritone Ukuleles, as well as violins and Mandolins.
