About Brand

5 Core, headquartered in California, warehouse in Bellefontaine, OH, USA, has a reputation for being a trusted and reliable brand, offering products designed to meet the highest industry standards. Our products are thoroughly tested and inspected before they are sent to the end user, ensuring that the customers receive products of the highest quality and reliability. With a commitment to quality, affordability, and customer satisfaction, 5 Core is a brand people can trust for all their needs and wants.

Adjustable

The mic stand includes a boom arm, which functions as a vertical mic stand or a horizontal placement of a microphone thanks to its 37 cm boom arm. And the detachable boom arm features 360 rotation and adjustable extension, making it easy to place a mic in front of the sound source.

High-hardness Aluminum Alloy Material

- This desk microphone stand is made of high-hardness aluminum alloy material, which can not only firmly support the microphone, but also avoid rust and other situations.
- Super stable 3 legged Metal Alloy Microphone Tripod Stand designed to give it exceptional strength and perfect balance to be compatible with any kind of microphone. Compact microphone stand designed for heavy duty carrying. Anti-slip rubber feet to protect your desk from scratches as well as for no-slipping while pod-casting, interviewing, broadcasting, Online Chatting, Conferences or gaming.

Microphone Clip

The included mic clip is flexible, being able to rotate 180. You can adjust your desired angle of the microphone easily. The Max diameter of the clip is 1.3 /32mm, suitable for many microphones like Shure SM58, Samson Q2U, Shure PGA48, Shure SM7B and more.

WIDELY COMPATIBILITY

Q&A

Question:What type of microphone is compatible with the 5 Core mini foldable tripod stand?

Answer:The tripod stand is universally compatible with almost all normal-sized handheld microphones.

Question:Is the microphone stand easy to transport?

Answer:Yes, the microphone tripod stand is lightweight and foldable, making it easy to transport and move with.

Question:Can the tripod stand be adjusted for different angles?

Answer:Yes, the clip holder supports an 180-degree adjustment, allowing you to easily set the desired microphone angle.

Question:Is the desktop mic stand suitable for outdoor use?

Answer:The tripod desktop microphone stand is designed to use indoors, but it can be used outdoors as long as it's placed on a stable surface.

Question:Is the tabletop microphone stand easy to set up?

Answer:Yes, the tabletop microphone stand is designed to be easy to set up and use, making it perfect for both beginners and professionals.
