#### About Brand

5 Core, headquartered in California, warehouse in Bellefontaine, OH, USA, has a reputation for being a trusted and reliable brand, offering products designed to meet the highest industry standards. Our products are thoroughly tested and inspected before they are sent to the end user, ensuring that the customers receive products of the highest quality and reliability. With a commitment to quality, affordability, and customer satisfaction, 5 Core is a brand people can trust for all their needs and wants.

### **Height Adjustable**

By adjusting the height clutch, the height of the boom stand can be set to custom heights with ease to show your perfect voice. It is adjustable from 15.35 inches to 21.25 inches. It is versatile and fits most applications.

### **Stable & Balanced - Weighted Round Base**

- the base is heavy-duty, solid, and stable, not easy to tip over.
- This desktop microphone stand uses a high-quality iron base, and the weight of the entire desktop mic stand is 1.06kg/2.3lb, which is stable and solid, not easy to tip over.

### **Flexible & Different Angle**

The tubes are made of high-quality steel and are nicely finished. The boom arm is extendable but steady, and it can move up and down and rotate 360° easily. You will enjoy the flexibility and ability to move it to different positions to show your perfect voice when you are using it, suitable for many microphones like Shure SM58, Samson Q2U, Shure PGA48, Shure SM7B and more.

# WIDELY COMPATIBILITY

## Q&A

**Question:**What type of microphone is compatible with the 5 Core mini stand?

**Answer:**The stand is universally compatible with almost all normal-sized microphones.

**Question:**Is the microphone stand easy to transport?

**Answer:**Yes, the microphone stand is lightweight, making it easy to transport and move with.

**Question:**Can the mic stand be adjusted for different angles?

**Answer:**Yes, the clip holder supports an 180-degree adjustment, allowing you to easily set the desired microphone angle.

**Question:**Is the desktop mic stand suitable for outdoor use?

**Answer:**The desktop microphone stand is designed to be used indoors, but it can be used outdoors as long as it's placed on a stable surface.

**Question:**Is the tabletop microphone stand easy to set up?

**Answer:**Yes, the tabletop microphone stand is designed to be easy to set up and use, making it perfect for both beginners and professionals.
