About Item

1. **Omnidirectional Microphone:** The 5 Core Omnidirectional Microphone is not your typical speaker or speakerphone; it is a condenser microphone. This meeting microphone has an omnidirectional pickup pattern that captures subtle sounds from all 360-degree directions, allowing for clear and audible sound transmission. Participants can communicate with each other without having to shout or speak loudly.
2. **Made for Conferences:** This microphone is ideal for conferences. The sleek and compact designed meeting mic can be placed on top of the desk or table, and you can continue your work while attending meetings.
3. **Plug & Play, No Drivers Required:** This meeting mic is incredibly easy to use, as it is a plug-and-play system with no drivers required. It works with a wide range of sound systems with compatible ports, just plug in and start engaging!
4. **Frequency response:** Its frequency response is perfect for capturing fast transients in different locations, including podiums and desktops.
5. **Well-Designed Cable, Durable:** The meeting microphone is designed with durability in mind, with a sturdy construction that can withstand daily use. The base has anti slip mat that ensures it stays in place during use.

Plug & Play, No Drivers Required

Product Description

The omnidirectional Microphone is the perfect tool for enhancing your audio communication needs. Whether you are hosting a virtual meeting, remote training, business negotiations, or participating in a video chat, this condenser desk microphone has you covered. With its omnidirectional pickup pattern, you can capture subtle sounds from all 360-degree directions, ensuring your participants can hear every detail clearly.

Its plug-and-play feature means it works with a wide range of sound systems and requires no additional drivers, while its durable construction ensures it will last for years to come. Compact and easy to use, the Omnidirectional Microphone is an excellent choice for all your audio needs.

At 5 Core, Customer satisfaction is our priority with a proven track record of delivering the highest quality product since 1984.
