

Type C 6Pcs WH

About Item

1. **PREMIUM EUROPEAN TRAVEL PLUG ADAPTERS:** These European travel plug adapters are a must-have. Whether you're traveling from the United States, China, Australia, or any other country, these compact plug adapters will ensure compatibility with all European (EU) outlets.
2. **WILL FIT all EUROPEAN OUTLETS:** These international type C travel adapters are designed to fit all European outlets, including the modern hexagon outlets. They are compatible with various Euro countries, such as Austria, Belarus, Belgium, Croatia, Denmark, Germany, Iceland, Italy, Hungary, Portugal, Poland, Netherlands, Spain, Sweden, Turkey, and more.
3. **SUPER SAFE:** These EU plug adapters prioritize safety with their copper pin and conductor, along with a PC fireproof shell. They are CE, FCC, and ROHS certified, offering reliable protection. Please note that the travel adapters do not convert voltage.
4. **MULTI-PURPOSE USAGE:** These type C power adapters are suitable for use throughout Europe, including Switzerland and Italy (not compatible with the UK). You can conveniently charge a wide range of devices, such as smartphones, Bluetooth speakers, headphones, shavers, power banks, laptops, tablets, and more.
5. **GREAT for TRAVEL & HOME USE:** With their compact size and secure fit, these adapters are great for both travel and everyday use at home. They ensure that your devices remain firmly plugged in without the risk of falling out. Perfect for charging smartphones, Bluetooth speakers, power banks, tablets, shavers, headphones, laptops, and various other devices.

Product Description

Upgrade your European travel experience with our premium European travel plug adapters. These adapters are essential for any traveler, allowing you to seamlessly transition from the USA, China, Australia, and more to any European destination. With their universal fit for all European outlets, including the modern hexagon wall outlets, these type C international plugs are compatible with numerous Euro countries.

Safety is our top priority, as these EU plug adapters are made with copper pins and conductors encased in a PC fireproof shell. Rest assured; they are CE, FCC, and ROHS certified for your peace of mind. These adapters are not only safe but also versatile, working effortlessly throughout Europe, including Switzerland and Italy(excluding the UK).

At 5 Core, Customer satisfaction is our priority—a proven track record of delivering the highest quality product since 1984.
