

## Anti-Static Grounded Mouse Pad Kit Item # AM1510301

**Anti-Static Mouse Pad Kit** If you or your employees occasionally hear loud static in their headsets, experience computer freezing or feel static shocks in the workplace, our Anti-Static Mouse Pad is an ideal solution to these problems. Our Mouse Pad is a cushioned mouse pad that can be placed anywhere that is convenient to the operator. The antistatic properties are maintained and enhanced by using this mat. The mat is easy to clean with our mat and tabletop cleaner.

Anti-Static Grounded Keyboard Pad also available. Item AM1510302.

Custom tabletop workstation mats available.
