## PRODUCT CHANGE NOTICE

**Issue Date:** September 14<sup>th</sup>, 2023

Dear Valued Customer,

This PCN C0471 notice is to inform you of a change of some items that you have purchased from Littelfuse.

***Description of the Change:***

Littelfuse will change the copper alloy material used in a component of the 75920 and 75921 series.

***Reason for The Change:***

Existing supplier identified a pending material shortage and recommended a long-term substitute. This change is needed to ensure business continuity and avoid supply chain disruptions.

***Effective Date of the Change:***

This will occur as a running change; production utilizing the new material is expected to begin no later than Q1, 2024.

**What You Need to Do:**

No change is required on your part. This transition in material is not expected to result in a change in component or finished good fit, form, or function.

If you have any questions, please feel free to contact your Littelfuse Customer Service or Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

*Renata Cebada*
