

DS CH RED

About Item

- **High-Quality Materials:** The 5 Core drum throne features high-quality materials, including a high-density sponge and wide drum seat surface. Even after long-term use, it will not deform.
- **Ergonomics Design:** Designed with ergonomics in mind, the drum throne seat provides excellent support for both the waist and legs. This drum seat design allows you to enjoy long practice and performance sessions comfortably.
- **Height Adjustable:** The adjustable drum chair is easy to install and adjust. Using a lever, you can easily adjust the height from 19 to 22.8 inches, ensuring a comfortable height for playing.
- **Double Support Legs:** The 5 Core guitar chair features double support legs with sturdy metal rods and high-quality connectors, making the bracket more stable and durable. Additionally, the drum throne comes with super anti-slip rubber pads that provide excellent stability and protect your floor.
- **Used by beginners and professionals:** The drum throne is versatile and suitable for both beginners and professionals. It is used by various professionals, such as musicians, instrument players, performers, sound engineers, and drummers. This drum stool is perfect whether you need it for on-stage or in-studio use.

Product Description

Constructed with high-quality materials, including a high-density sponge and wide stool surface, this drum throne is built to withstand even the longest and most intense practice sessions. The ergonomic design of the guitar stool provides excellent support for your waist and legs, allowing you to play in comfort for hours on end.

With easy height adjustment and simple installation, the 5 Core drum chair is a versatile and reliable option for practice and performance. And with their lightweight design, they are also easy to transport, making them perfect for drummers on the go. Choose the 5 Core Drum thrones for a comfortable and reliable drumming experience every time.

At 5 Core, Customer satisfaction is our priority—a proven track record of delivering the highest quality product since 1984.

Features

Stable and Durable	Non-skid rubber feet	Soft Padded Stool	Solid Structure
The thick bracket makes the drum throne stable and durable, ensuring it won't shake during performances or practice sessions.	The drum stools' non-skid rubber feet provide exceptional stability, making it a reliable choice for drummers who need to focus on their performance.	Our guitar stool features a soft padded stool made from high-quality materials that will keep you comfortable throughout your entire drumming session.	The triangle design of our drum chair provides the most stable stand possible. With a floor of support made from a non-slip material, you can rest easy knowing that your drum throne won't wobble or slip.
