

GSTOOL BLK

About Item

1. **Super Comfortable High-Density Sponge:** The thick and super comfortable sponge seat prevents your guitar stool from deforming after prolonged use.
2. **Made for Guitarists:** More than just a stool, this guitar holder brings you and your guitar closer together, making guitar practice easier without compromising your comfort.
3. **Anti-Slip Design:** The 5 Core guitar chair has rubber sleeves that keep your guitar seat from moving when you play. Its strong steel frame with an X-style design makes it really steady.
4. **Stable and Sturdy Built:** The guitar holder on this guitar stool is as good as a regular guitar stand. It has sponge covers and can be adjusted to the right height, preventing any accident with your guitar. Built like a tank for prolonged use.
5. **Premium Quality & Carefully Packaged:** You can get our super comfortable guitar stool with confidence, as they offer sturdiness and stable performance. Carefully packaged to ensure you get the guitar chair in its most pristine condition.

Product Description

At 5 Core, we are committed to improving user experience. People love guitars, and we wondered, "What about a stool just for guitar players?" Well, we did not stop thinking until we made this amazing product.

There's no need to run around to get your guitar and come back to practice. This guitar seat keeps your guitar safe and right where you need it. It's like having a special guitar chair and a stand for your guitar. Plus, this stool is super comfortable thanks to the thick sponge, and it is sturdy and built like a tank to ensure you use it for a prolonged time. You will love the premium build quality and stability this guitar chair offers.

Features

Use As a Stool

As a Footstool

As a Stand

Super Stability

This guitar stool is strong and reliable; it's built like a tank and can hold up to 300 pounds. The super comfortable tick sponge seat keeps it from getting squished.

This guitar footrest helps you sit in a good way when you play. It gives you a comfortable sitting position so you can play guitar comfortably for a long time.

The guitar holder on this stool brings you and your guitar closer. It makes practicing the guitar easier, like having a special chair for you and your guitar.

This stool is designed to have high weight capacity and anti-slip caps to offer utmost stability while you are performing on stage or in the studio.
