About Padded Drum Chair

1. **4 inch Memory Foam & Ergonomics Design:** With Padded Drum Chairs' soft memory **foam and ergonomic design, the drum throne** with backrest offers comfort beyond a normal drum stool. The seat's shape provides ample support for the **waist and legs, allowing long hours of practice and performance without discomfort.** Its motorcycle-style seat further enhances the user's experience.
2. **Double Support Legs & Super Anti-slip Pads:** The Air-Adjustable drum **stool boasts double support legs with two-piece sturdy metal rods for added stability and durability.** The high-quality connectors ensure that the bracket remains stable. Additionally, the drum throne features super anti-slip rubber pads that keep the stool in place and **protect your floor from damage.**
3. **Height Adjustable & Easy to Install:** With its easily adjustable lever, the drum chair's height can be adjusted from **19 inches to 26.5 inches,** providing a comfortable height for playing drums. Installation is also a **breeze with the drum stool's backrest.** Furthermore, it is easy to store and transport, making it ideal for indoor parties and gig stage performances.
4. **Adjustable backrest:** The 5 Core drums stool seat comes with a **flexible backrest,** allowing you to customize it according to your sitting **style or posture. The ergonomic design provides excellent support to the waist,** ensuring artists remain comfortable and relaxed while performing.
5. **Heavy-duty drum throne:** The heavy-duty Padded Drum Chair with back support is made of **high-quality metal, and chrome finish, featuring a sturdy base and durable support legs,** designed by 5 Core, providing unparalleled stability. **It can easily support 500 Pounds, making it highly reliable.**

Padded Drum Chair Description

Upgrade your drumming experience with a 5 Core drum throne with a backrest. With soft memory foam and an ergonomic design, our **Padded Drum Chair** provides superior comfort and support for your waist and legs, allowing you to practice or perform extended periods without discomfort.

The back seat adds to the overall comfort, and you can easily adjust its height from **19 inches to 26.5 inches**.
