

DS CH BR REST-LVR

Drum Throne with Backrest- Play Longer, Play Better!

1. **4 inch Memory Foam & Ergonomics Design:** With its soft memory foam and ergonomic design, the drum throne with **Backrest** offers comfort beyond a normal drum stool. The seat's shape provides ample support for the waist and legs, allowing long hours of practice and performance without discomfort. Its motorcycle-style seat further enhances the user's experience.
2. **Double Support Legs & Super Anti-slip Pads:** The Air-Adjustable drum stool boasts double support legs with **two-piece sturdy metal rods for added stability and durability**. The high-quality connectors ensure that the **bracket remains stable**. **Additionally**, the drum throne features super anti-slip rubber pads that keep the **stool in place and protect your floor from damage**.
3. **Height Adjustable & Easy to Install:** With its easily adjustable lever, the drum chair's height can be adjusted from **19 inches to 26.5 inches**, providing a comfortable height for playing drums. Installation is also a **breeze with the drum stool's backrest**. Furthermore, it is easy to store and transport, making it ideal for indoor parties and gig stage performances.
4. **Adjustable backrest:** The 5 Core drums stool seat comes with a **flexible backrest**, allowing you to customize it according to your sitting **style or posture**. **The ergonomic design** provides excellent support to the waist, ensuring artists remain comfortable and relaxed while performing.
5. **Heavy-duty drum throne with drum sticks:** The heavy-duty stool with back support is made of **high-quality metal**, and chrome finish, featuring a sturdy base and durable support legs, designed by 5 Core, providing unparalleled stability. It can easily **support 500 Pounds**, making it highly reliable. The package also comes with two drum sticks.
