

## CAT 6A Pass-Through RJ45 Modular Connectors (50 Pack) C20-088L6AP-50

Micro Connectors CAT6A Pass Through RJ45 Modular Connectors is designed for terminating 23 to 26 AWG solid or stranded cable in network applications. Its pass-through design allows for an easy and hassle-free terminations. Works with both CAT6A and CAT6 for cables with outer diameter up to 7.00mm, the gold-plated contacts provide reliable performance for a Gigabit Ethernet rated network. Save money by using these value pack connectors to create your own patch cables, they are UL listed and RoHS compliant, and the color is transparent allowing indicator light penetration better.

### Features:

- Pass through design for easy and hassle-free terminations
- Suitable for solid and stranded conductor cables with outside diameters up to 7.00mm
- For terminating CAT6A 23 to 26 AWG round cable in network applications
- Works with both CAT6A and CAT6 UTP unshielded cables
- 3-Prong Gold Plated Pins for Maximum Performance
- UL listed; RoHS compliant
- Value Pack of 50
