

## Product/Process Change Notice

To: All concerned  
From: Fernando Laplaza  
Date: December 21, 2023  
PCN-Ref. No.: [Externalize] Manufacturing location change of plastic part

---

This change does not affect the packaging, form, fit, function, quality, or reliability of the product.

The product has been qualified and validated based on the same specifications and Piher-Amphenol's quality standards.

### Reasons for change

To externalize the plastic injection process of this part.

### Description of the change

The plastic part was being manufactured in house and now it will be manufactured in a third-party company using Piher's mold.

The part will be manufactured using the same mold and technology.

### Part numbers involved in this change:

Old part numbering	New part numbering
JPEPL5012NE	XEJPL5012NE

**Samples availability date:** Immediately

**Proposed implementation date:** Immediately

---

Thank you for your understanding and continued support.
