

PDN Number:	20231024000.3A	PDN Date:	December 08, 2023
Title:	Discontinuance of Select Devices		
Customer Contact:	Change Management Team	Dept:	Quality Services
Last date to order:	Oct 24, 2024	Last date to ship:	April 24, 2025
Change Type:	Product Discontinuance - End Of Life		

Product Discontinuance Notification Details

Description of Discontinuance:

The purpose of this Revision A is pull-in the Last date to Order (LTB) to December 8, 2023 for one of the devices, LM6144AIM. The affected product is highlighted and bolded in the Product Affected list below.

A one-of-a-kind tool used in assembly for the 14-pin SOIC devices went down and is not recoverable.

There is no change to the original Last date to order or Last date to ship noted above for the remaining devices in this PDN.

Texas Instruments, Incorporated (TI) is announcing the discontinuance of select devices. Part Numbers are listed in the Product Affected Section. A non-cancelable, non-refundable last time buy is being offered per the date shown above. Recommended replacements are also offered on some devices as shown in the Product Affected Section.

NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any replacement products, please contact your local sales representative.

Reason for Withdrawal/Discontinuance:

This PDN is related to TI's multiyear transition plan for our two remaining factories with 150-millimeter production (DFAB in Dallas, Texas, and SFAB in Sherman, Texas). DFAB will remain open, but will focus on 200-mm production, with a smaller set of technologies. SFAB will close as early as 2024. These changes are part of our multiyear plan to transition certain products to newer, more efficient manufacturing processes and technologies.
