

Data sheet Single-LED.

Part No.: 10-2613.1075

Technical data

Illuminative colour	Green
Operating voltage	28 V AC/DC +10%
Operating voltage tolerance	+10% %
Operation current	5 - 9 mA \pm 15 %
Operation current tolerance	\pm 15 % %
Weight	0.001 kg
Illumination colour	Green
Dom. Wavelength	525 nm
Lumi. Intensity	320 mcd
Hints	

- Luminosity and wave length variations caused by LED manufacturing processes may cause slight differences regarding the illumination.
