

Red Lion® DT8 Rate Meters, PAX2C PID Controller and Some Models of the CUB4 Panel Meters

Red Lion announces the end of life for several of its panel meter products. This includes the DT8 battery powered rate meters, the PAX2C advanced PID controller, and some CUB4 panel meters. Users should refer to the migration list below for possible substitutions. The replacement product (where available) can be ordered now.

EOL Part Numbers	Description	Replacement Part Number	Description
CUB4CL10	CUB4 Current Loop Meter with Negative Green Backlight	CUB5PB00	CUB5 Process Meter with Negative Red/Green Display
CUB4CL20	CUB4 Current Loop Meter with Negative Red Backlight	CUB5PB00	CUB5 Process Meter with Negative Red/Green Display
CUB4CL30	CUB4 Current Loop Meter with Positive Green Backlight	CUB5PB00	CUB5 Process Meter with Negative Red/Green Display
CUB4CL3B	CUB4 Current Loop Meter with Positive Green Backlight, No Logo	CUB5PB00	CUB5 Process Meter with Negative Red/Green Display with Logo
CUB4CL40	CUB4 Current Loop Meter with Positive Red Backlight	CUB5PB00	CUB5 Process Meter with Negative Red/Green Display
CUB4CL4B	CUB4 Current Loop Meter with Positive Red Backlight, No Logo	CUB5PB00	CUB5 Process Meter with Negative Red/Green Display with Logo
CUB4I000	CUB4 Current Meter Reflective Display	CUB5I000	CUB5 Current Meter with Reflective Display
CUB4I00B	CUB4 Current Meter Reflective Display, No Logo	CUB5I000	CUB5 Current Meter with Reflective Display with Logo
CUB4I010	CUB4 Current Meter Green Display	CUB5IB00	CUB5 Current Meter with Red/Green Display
CUB4I020	CUB4 Current Meter Red Display	CUB5IB00	CUB5 Current Meter with Red/Green Display
CUB4L010	CUB4 6 Digit Counter with Green Display	CUB4L820	CUB4 6 Digit Counter with Red Display
CUB4L810	CUB4 8 Digit Counter with Green Display	CUB4L820	CUB4 8 Digit Counter with Red Display
CUB4L81B	CUB4 8 Digit Counter with Green Display, No Logo	CUB4L820	CUB4 8 Digit Counter with Red Display, with Logo
DT800000	DT8 Battery Powered Rate Meter with Reflective Display	No direct replacement	
DT800020	DT8 Battery Powered Rate Meter with Red Display	CUB5B000	CUB5 Count/Rate Meter with Negative Red/Green Display
PX2CVR00	PAX2 PID Controller, Vertical Mount	PXU PID Controllers	Contact Tech Support for more information
PX2CHZ00	PAX2 PID Controller, Horizontal Mount	No direct replacement
