NOT RECOMMENDED FOR NEW DESIGNS (NRND) AND CONSULT FACTORY

Additionally, the below listed models are not recommended for new designs (NRND) as the UL and/or CE LVD certifications are expiring December 2020, after which the models can only be sold exclusively in the USA for existing applications and cannot be sold in the EU. The current availability indicated is as of the time of the issuance of this document and is subject to change. Once available inventory is exhausted please consult factory for MOQ/status. Orders are Non-Cancelable and Non-Returnable.
