

# DESIGN KIT

## PLCC, THT and Ceramic LEDs

### SIZE:

2214 / 3528 / 3535 / 5050 / 3 mm / 5 mm

### TECHNICAL DATA:

TOP LED  
High Power LED  
THT

**Order Code 150 151**

**Version 4.0**

**Important information:** Würth Elektronik's design kits contain reference components. These components correspond with the current product development status on the day of supply. Exchange of the reference components to components with up-to-date product development status is not carried out automatically. No liability is taken for the use of these reference components. Therefore, please request new samples prior to releases for series production and product release.

Please check datasheets on [www.we-online.com](http://www.we-online.com) for specifications. Würth Elektronik eiSos GmbH & Co. KG, EMC & Inductive Solutions. © 2021
