The CHERRY AC 2.3 palm rest is an original accessory to optimize the ergonomics of the CHERRY MX 2.0S keyboard. The palm rest made of high-quality plastic encourages a natural hand position when typing. This helps to prevent the wrist pain which often occurs when typing or playing for longer periods without sufficient breaks. The quick, easy and stable keyboard attachment with snap hooks can be carried out without any tools. Available in different colors to match the keyboard. For relaxed gaming.
