Doc. No. 3024009 : Discontunuanance of RF transistor (Wafer and Package products)

1-Sep 2024
Small signal devices Div.
Rohm. Co. Ltd.

3024009-1. About discontinuance RF transistor

Reason for discontinuance

Increased maintenance costs due to decreased production

Affected part numbers of transistors

91 (Refer to next page)

Replacement

No replacement made by Rohm

Other companies' products with similar characteristics can be introduced.

However, it should be evaluated and judged by the customer before replacement.

Schedule

Due date of reply 2026/9/30

Last time buy date 2026/9/30

Last time shipment 2027/9/30

3024009-2. Part List of discontinuance (91 item)
