NOTES

Responsibility ends with customer inspection or 10 days after customer receives parts. No returns will be accepted without prior approval from factory in writing.

All parts are stocked in plain finish. Parts will be plated to customer specification.

The items in this catalog are designed and manufactured to be functional. Engineering evaluation and quality assurance evaluations should be accomplished with functionability as a prime criteria.

RAF reserves the right to <u>change any specifications</u>, <u>tolerances and plating types</u>, for any products listed in this REFERENCE MANUAL without prior notice, provided the <u>function</u> of the item is not changed.

All custom (non-catalog) items are subject to an over shipment or under shipment of up to 10% of the order quantity. The price quotation from RAF will clearly identify these items.
