

Notice for NCP15/18 series unrecommended to new design

NTC Thermistor NCP15/NCP18 Series

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.

This is the official notification that some of our products detailed below shall be out of sales promotion with the immediate effect.

Please review this, and refrain from designing the products affected into your new models and projects. Your understanding and support are highly appreciated.

1. Product Type, Customer/Murata/Alternative Part Numbers:

Product Type: NTC Thermistor NCP15/NCP18 Series

Please refer to the attached documents for detailed Part Numbers' information.

*Some alternative part numbers are still in the pre-mass production preparation stage; however, we plan starting mass production within two years.

2. Reasons/Background:

Murata Thermistor, NCP series, are used in wide applications such as consumer, industry, mobility, and healthcare devices.

This time, NCU15/18 series which will be Murata generic products is ready to expand its lineup. Therefore, Murata kindly requests that you consider adopting the NCU15/18 series in place of the NCP15/18 series for new designs, projects and business.

Please note that Murata plans to discontinue production of NCP series as below.

Also, please be informed that these parts will be withdrawn as per the schedule below.

The official notification of the Product Withdrawal will be submitted as below.

EOL documents submission: Apr, 2030 Planned

Last Time Order Due: Mar, 2032 Planned

3. Contact Window:

Should you have any questions or concerns, please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
