PRODUCT CHANGE NOTICE

Issue Date: June 21th, 2025

Dear Valued Customer,

This notice C0586 is to inform you of the obsolescence of certain items and the associated product transition plan.

Description of the Change:

Littelfuse is discontinuing the attached DC Contactors as part of a transition to a new product series. The updated series offers enhancements in design, quality, and supply chain reliability. For specific replacement recommendations, please refer to the attached cross-reference.

Reason for The Change:

We are undertaking the integration of our DC contactor product portfolio and supply chain to optimize customer service delivery and reinforce long-term supply stability.

Effective Date of the Change:

We will accept a last time buy until July 14th, 2025.
The alternative replacement part is scheduled to be launched within the next 3 to 5 months.

What You Need to Do:

For inquiries regarding open order status and last-time-buy availability, please contact your local Customer Service Representative. Information on alternative part numbers can be found in the attached documentation.

If you have any questions, please feel free to contact your Littelfuse Customer Service Representative or your Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

A handwritten signature in black ink that reads 'Jason Li'.
