This notice is to inform you that Renesas Electronics America Inc has disabled Cfly pre-charge function in the test program trim option of RAA489301* products.

Reason for Change:

The test program update will disable the Cfly pre-charge to align with the product characteristics and a variety of customer configurations. The change has no impact on any other functionality.

Please contact your local sales representative for more information of the change and sample request.

Impact on fit, form, function, quality & reliability:

The change will have no other impact on the form, fit, function, quality, reliability and environmental compliance of the devices.

The trim change only affects Cfly pre-charge function, and the rest functions of the IC will have no impact.

Product Identification:

Product affected by this change is identifiable via Renesas's internal traceability system.

Qualification status: Not Applicable

Sample availability: 6/16/2025
