Device management software for updating the firmware, software, and certificates for devices with an integrated OPC UA server. The Device and Update Management software is available free of charge under Downloads. To update the firmware and software, a fee-based license is required, which you can purchase.

Your advantages

- Security by design, with the controllers of the PLCnext Control family
- Simplification of the update process

Commercial data

Item number	1542953
Packing unit	1 pc
Minimum order quantity	1 pc
Product key	DRDBDA
GTIN	4067923015333

Technical data

Notes

Note on application	License is required to run the software. Activation of the license via the supplied Phoenix Contact Activation Wizard.
Note regarding documentation	The current manual is available at: https://www.plcnext-community.net/infocenter/device_and_update_management/

Product properties

Product type	Network management software
--------------	-----------------------------

System properties

Type of software	On-premises
Intended use for the software	Firmware update
	Configuration

License information

Type of license	Single-user license
-----------------	---------------------

Functionality

Basic functions	Obtaining, distributing, and installing firmware updates via OPC UA
	Rolling out or updating PLCnext Engineer projects via OPC UA
	Managing OPC UA device certificates with the included Global Discovery Server (GDS)

System requirements

Operating equipment	Keyboard, mouse
Operating system	Windows® 10 (64-bit) as of build 1709, Windows® 11 as of build 22621.963
Languages supported	German, English

Classifications

ECLASS

ECLASS-11.0	19240201
ECLASS-12.0	19240201
ECLASS-13.0	19240201

ETIM

ETIM 9.0	EC000501
----------	----------

Environmental product compliance

EU RoHS	
Fulfills EU RoHS substance requirements	Not applicable, No electrical and electronic equipment (EEE), cannot be used in EEE
EU REACH SVHC	
REACH candidate substance (CAS No.)	No substance above 0.1 wt%
