

Wiha **72093** 8 Piece 3/8" Drive SAE Impact Socket Set - WI 72093

Wiha 72093 8 Piece 3/8" Drive SAE Impact Socket Set - WI 72093

Wiha's Professional Series 3/8" Drive Impact Sockets are available in SAE or Metric. Impact Tough - Built from heat-treated steel for maximum durability and long life in high-torque applications. Impact Ready - Engineered for all impact drivers and optimized geometry for perfect fit and reduced cam-out. Impact Proven - Tested to withstand the toughest fastening jobs on the jobsite. Relieved 6-point corners provide more contact area and grip. Manganese phosphate finish for corrosion resistance. 1/4" Hex to 3/8" square adapter included in the set. 360° Swivel Socket Strip – Rotating design keeps sockets visible, accessible, and securely in place. Integrated storage for the 1/4" hex to 3/8" adapter makes this a grab-and-go solution for any job site or toolbox. You can buy with confidence knowing

that Wiha stands behind our products with what we believe is the best No Hassle Guarantee in the industry.
