RE: LFPCN41559 - Littelfuse TVS STD DO-214AC package additional Assy site approval

To: Our Valued Customers

To further strengthen the security and continuity of supply for our customers, Littelfuse will be adding a new assembly and test site in Malaysia for DO-214AC (SMA) package including SMAJ, P4SMA, and SMA6J Series.

The electrical performance of the affected Series will remain within existing datasheet specifications. There will be no change to the form, fit, function of the products.

All affected products have been fully qualified in accordance with established performance and reliability criteria. Please refer to the attached affected parts list and documentation for qualification result. Samples and qualification data are available upon request.

Form, fit, function changes: None

Part number changes: None

Effective date: Feb 1, 2026

Replacement products: N/A

Last time buy: N/A

This notification is for your information and acknowledgement. If you have any other questions or concerns, please contact your local sales team or product team below for further assistance.

We highly value your business and look forward to assisting you whenever possible.

Sincerely,

Jenny Chen
