

## **Magnetic 1/4" Bit Holder 4" OAL**

**SKU: 71139**

### **Description:**

- 1/4" Drive Magnetic Bit Holder for 1/4" Insert Bits

### **Specification:**

SKU: 71139

UPC: 084705711393

Weight: 0.06 lb

Width: 5.00

Length: 3.00

Height: 0.25

Feature	Specification
Product Type	Universal Magnetic Insert Bit Holder
SKU / Mfr Part #	71139
Intended Use	Holding 1" (25mm) insert bits
Overall Length (OAL)	4 inches (100mm)
Drive Size (Shank)	1/4" Hex
Bit Drive Size	1/4" Hex
ISO Standard Size	C6.3
Material	Impact-resistant modified chrome-vanadium-molybdenum tool steel, hardened
Machine Hardness	HRC 59-61
Features	Magnetic, Impact Resistant
RoHS Compliant	Yes
Country of Origin	Taiwan

Feature	Specification	Source/Notes
SKU / Mfr Part #	71139	Consistent across all sources.
Tool Type	Bit Holder (Universal Magnetic Insert)	For use with 1" (25mm) insert bits.
Overall Length (OAL)	4.00 inches (\$100 \text{mm}\$)	Confirmed by multiple sources.
Drive Size (Shank)	1/4" Hex	Standard quick-change power tool shank.
Bit Drive Size	1/4" Hex	Holds C6.3 style bits.
ISO Standard Size	C6.3	Standard for 1/4" insert bits.
Material	Impact-resistant modified Chrome-Vanadium-Molybdenum tool steel, through hardened.	Designed for durability.
Machine Hardness	HRC 59-61	High hardness for wear resistance.
Key Features	Magnetic Tip, Impact Resistant	Suitable for use with impact drivers.
RoHS Compliant	Yes	Confirmed by distributors.

Feature	Specification	Source/Notes
Weight	Approx. \$0.06 \text{ lbs}\$	Varies slightly by distributor.
