

## Strain relief type ZL

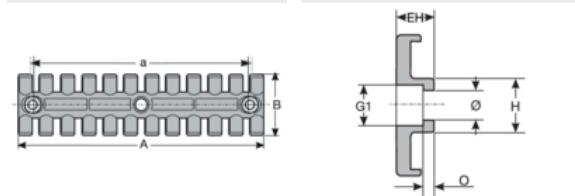

### Product information

The ZL strain relief plate may be used wherever the strain of cables, hoses, cords, wires or conduits must be relieved or they are to be routed in a secure, easy and cost-effective way. The insertion of the ELB insert bushing stops the cold extrusion characteristic of plastic from affecting the secure fixing of the plate. The DH spacer sleeve is required for two-tier mounting.

- Approved for railway technology (EN 45545-2)

### Material properties

	Bar: Polyamide 6.6 Polyamide 6.6
--	----------------------------------

### Thermal properties

	Temperature / temperature range -45 °C - 125 °C
--	--

### Fire properties

	Fire classification VO
	Fire properties as per EN 45545-2 C.I.T. R22 / R23 HL3 :0,44 EN 17084 Ds (max.) R22 / R23 HL3 :≥ 32 % ISO 4589-2 LOI R22 / R23 HL3 :59 ISO 5659-2

### Technical information

	Halogen-free
	LABS free
	According to ISO 4892-2

## Strain relief type ZL

### Assembly method

### Strain relief

### Conformity

RoHS (EC Directive 2011/65/EU)

### Approvals and operating permits

GL approval

EU railway approval

### Classification

ETIM 9: EC000322  
ECLASS 14: 27400604  
UNSPSC 26.0801: 39121719

### General information

Made in Germany

All details given in our sales brochures and catalogues, as well as the information available online, are based on our current knowledge of the products described. The electronic data and files made available by Murrplastik, particularly CAD files are based on our current knowledge of the product described. A legally binding assurance of certain properties or the suitability for a certain purpose can not be determined from this information. All information with respect to the chemical and physical properties of Murrplastik products, as well as application advice given verbally, in writing or by tests, is given to the best of our knowledge. They do not release the buyer from the obligation to carry out his own tests and trials in order to determine the concrete suitability of the products for the intended purpose. Murrplastik accepts no responsibility for the available information being up-to-date, correct or complete. Neither do we accept responsibility for the quality of this information. Murrplastik accepts no liability for damage caused as a result of using our products.
