

Xuron 2193 Wire Shear

Xuron 2193 Micro-Shear Flush Cutters: Wire Shear

SKU#: TLXURON2193

Description

More Information

Related Products

Designed by Xuron for cutting hard wire and cable. Rated for hardened wire, music wire, and memory wire. Bypass shearing action ensures that cutting surfaces will not be damaged when cutting steel and other hard metals. This cutter can also be used to cut ring shank stock without deforming the material. Cutting effort is minimal and the integrated spring returns the shear to its open position. This is one the most useful beading supplies we sell.
